

JS (Part 5)

Practice Solutions

Ans 1

```
let dice = Math.floor(Math.random() * 6) + 1;  
console.log(dice);
```

Ans 2

```
const car = {  
  name: "Maruti Suzuki",  
  model: "Maruti Suzuki Dzire",  
  color: "white",  
};  
  
console.log(car.name);
```

Ans 3

```
const Person = {  
  name: "Jane Doe",  
  age: 21,  
  city: "New Jersey",  
};  
  
Person.city = "New York";  
Person.country = "United States";  
console.log(Person);
```
